Admiral Signs New Build 63 Metre Superyacht

Admiral, part of the **Italian Sea Group**, is to build a 63 metre superyacht for a highly experienced superyacht owner who has chosen to build in Italy instead of choosing a Northern European shipyard

The design reflects the Owner's exacting requirements and will provide him with the perfect balance of Italian design, flair, creativity and style with pedigree suppliers and contractors, and the Owner's requests.

Alex Banning a broker at **SuperYachtsMonaco** represented the Buyer.

Built to Lloyd's class, delivery is expected to be during 2019.
